Good Morning Friends!

We are requesting that the congregation use a new 'comment slip' to provide feedback in support of our worship services. For example: a preferred hymn.

This is a new way to gather /share different ideas regarding our worship as Geoff reminded us there would be changes!

A 'suggestion box' is located on the cookie table outside the sanctuary along with slips of paper you can use to print your suggestions, and if you have a concern, your suggested solution.

Please deposit your comment slip in to the 'suggestion box'. Your comments will be considered with a view of incorporating suggested changes into our worship services, to the extent possible, going forward.

Best ever, Fellow Members
