OPENING PRAYER

(in unison)

God of grace and glory, your creative powers are beyond imagining. Your love is wider than the universe. Your mercy is beyond the highest heavens, and your wisdom is deeper than the seas. You became one of us in Jesus, walking the roads we take each day; experiencing the joys and frustrations of life in your world and preaching your reign in word and action. Through your Holy Spirit you are present with us in every time and place. You are there to comfort and challenge us. For all that you have been, are and will be, we worship you as Creator, Redeemer and Spirit now and always. Amen.

COMMISSIONING

(in unison)

We go back into the world to be harvesters; harvesting hungry souls who are yearning for the peace and calm that only Jesus can bring.

We go back into the world to be a blessing. As we have been blessed, so we share with those who have no one who cares, no one who hears, no one who will just take time to sit and be with them.

We go back into the world to be caretakers. For there are many places that need tending and many situations where this is not the case.

We with, through and by the help and strength of God.

BLESSING

May God who is the Source of Love, go with you this day.

May Jesus, the Face of Love in action, be with you this day.

May the Holy Spirit who is the transforming power of love, bless you and yours this day and this week.

And may our Triune God move through you to heal and bless God's world as we journey through all the places we are called and sent. Amen.
